At GraceWest Bible Church, we have an unwavering commitment to the authority and sufficiency of the Bible. To that end we have produced this reading plan, which will help you read most of the Bible within a one-year time frame. The 'difficult' bits are intentionally left out. No dates are given, so you can begin any time.

This version is largely chronological, from the beginning of the biblical timeline to the end. Whilst not covering the entire Bible, this method will provide a thorough grasp of Bible truth. The idea for this style came from R.C. Sproul. We have adapted his idea and adjusted it to fit a 52-week format.

Bible reading should not be viewed as a legalistic exercise; instead, view this as a tool to help you get to know God more intimately. Another one-year Bible reading
