At GraceWest Bible Church, we have an unwavering commitment to the authority and sufficiency of the Bible. It is our passion to know and obey God's Word in every area of our lives, so that we are equipped to serve others and extend the love of Jesus Christ. To that end we have produced this reading plan, to help you read the Bible in one year. No dates are given, so you can begin any time.								
The seven genre sections of Scripture are divided into 52 roughly equal portions, according to the number of pages, to account for shorter/longer chapters etc. The four shorter readings (NT History, Psalms, Poetry and Epistles) bracket the three longer readings (OT History, Prophecy, and Law), so that if you miss a day, you can catch up, confident that you will not have two long readings together.								
Bible reading should not be viewed as a legalistic exercise; instead, view this as a tool to help you get to know God more intimately.								
Pray before each reading (Psalm 119:18), and write down what you learn. May God richly bless you as you read His Word.
