

Bible Genres - 52 Week Bible Reading Plan

In updating this plan we have categorised the readings according to their relative lengths, based on the total number of columns each section has per 52 weeks. Each week now contains three **short readings of 3/5 columns (S)**, two **medium readings of 7 columns (M)**, and two **long readings of 9 columns (L)**. Feel free to swap them according to your schedule; so if, for example your Tuesdays (L) are routinely hectic but your Fridays (S) are less so, swap those readings.

This completely revised reading plan still follows the seven different Bible genres, but the reading lengths are now more evenly distributed across the 52 weeks. GraceWest Bible Church is committed to helping you understand the Bible more accurately, so we have four very different reading plans, all of which are available for free download at our website gracewest.org.au. Pray for understanding before each days' reading, and seek to apply what you learn.
